Note: No state institution or federal agency, nor any employee thereof, asked Biopar to submit this application on their behalf.	\$4,000,000
Black Lake in SW Alaska near the Chigniks	Chignik Regional Aquaculture Association (CRAA)	Black Lake Aquatic Ecosystem Restoration - Corps of Engineers Project Study a & Planning	Restoration of the Black Lake Aquatic Ecosystem.	\$1,500,000
Bristol Bay	The Nature Conservancy	ShoreZone Mapping of Bristol Bay (3 of 3)	Map 1500 miles of digital imagery using ShoreZone which is a habitat classification, mapping, and inventory system which relies on the collection and interpretation of aerial imagery of the intertidal zone, near shore, and estuarine environment	\$150,000
Brooks Lodge, Katmai National Park	Katmailand, Inc.	Replacement Bridge Over Brooks River (Priority 1 of 1)	Replacement of the seasonal floating bridge which connects the Brooks Lodge and Brooks Falls as well as the Valley of Ten Thousand Smokes	\$4.9 million
Cape Fox Corporation's private lands on Revallagigedo Island	Alaska Soil & Water Conservation District	Southeast Alaska Forest Stewardship Program (1 of 1)	Many of the harvested acres are over-stocked and in need of pre-commercial thinning. Also many miles of logging roads and associated water passage structures are in need of maintenance or repair. Project includes pre-commercial thinning as well as re-shaping 5 miles of road that have caused soil erosion and water quality problems.	\$500,000
Chilkat Valley between Haines and the Canadian border	Inside Passage Electric Cooperative	Chilkat Valley Electrification Project Completion Funds (no priority mentioned)	Project will provide area electrification to serve 300 homes/businesses. IPEC incurred a large debt while constructing an electrical system and is asking for funding to pay down the debt	\$4,000,000
Chugach Region of Alaska	Chugach Regional Resources Commission	Chugach Regional Resources Commission (Priority 1 of 1)	Request for funding to support the base operating expenses of CRRC, an Alaska Native Organization created by the villages of the Chugach Region to address environmental issues and to develop culturally sensitive economic projects at the local level that support the sustainable development of the natural resources.	\$500,000
Circumpolar Arctic Alaska	Inuit Circumpolar Council Alaska	ICC-Alaska Arctic Sea Route Collaborative (1 of 2)	Several assessment forums for member groups of ICC-Alaska to develop a plan for the future. Will examine economic opportunities, possible regulatory/legal impediments to expanded commerce, & concerns such as the environment/subsistence. Will cover collaborative organization/administration - including travel, research, & forum planning & expenses.	\$400,000
City of Angoon and Kootznoowoo Hydro Reserve	Kootznoowoo, Inc.	Kootznoowoo Power Hydro Electric Facilities	Run of the River Hydro Electric facility and transmission line utilizing the power of water descending from Thayer Lake through Thayer Creek	\$10,000,000
City of Palmer	City of Palmer	Preliminary Planning and Engineering for Waste Water Treatment Plant (Priority 1 of 6)	Project for the planning and preliminary design of upgrades to the City of Palmer's (City) waste water treatment plant (WWTP).	\$138,719

City of Palmer	City of Palmer	City of Palmer Public Safety Building Roofs (Priority 4 of 6)	Replacement of the roofs of two of the public safety buildings in the City of Palmer.	\$255,200
City of Palmer	City of Palmer	City of Palmer Road Grader (Priority 5 of 6)	The existing road graders are old, expensive to maintain and must be replaced.	\$280,000
City of Palmer	City of Palmer	City of Palmer Urban Revitalization	Upgrades to the City's bike and walking paths from downtown Palmer along the historic and partially active Alaska Railroad Corridor.	\$600,000
City of Palmer	City of Palmer	Palmer Southwest Utility Expansion Water Reservoir and Line Extension (Priority 3 of 6)	Project provides for the site selection, planning, and design of an approximately 1 million gallon water storage reservoir to be located near Trunk Road to serve the southwest portion of the City' water service area.	\$1,663,695
City of Palmer	City of Palmer	City of Palmer Replacement of Steel Water Mains (Priority 2 of 6)	Replacement of Steel Water Mains that are in need of repair.	\$1,697,000
Coast of Alaska	Alaska Department of Fish and Game	FMP Extended Jurisdiction	To continue cooperative management of the federal fishery management plans associated with crab, scallop, and coordinated management of shared groundfish stocks.	\$1,200,000
Coast of Alaska	Alaska Department of Fish and Game	Bering Sea Crab Research and Management	Researches Bering Sea crab productivity and sustainability as necessary to restore crab stocks.	\$2,000,000
Coast of Alaska	Alaska Department of Fish and Game	Seal and Stellar Sea Lion Biological Research	Funds monitoring of ice seal populations in Native villages, research on the species delineation and genetics of harbor seals to understand the declines in population and provide for population restoration, and continues research into Steller Sea Lion population decline.	\$3,200,000
Coast of Alaska	Alaska Department of Fish and Game	Alaska Fisheries Information Network	Meets the increased needs under the Magnuson-Stevens Act for developing regional fishery coordinated databases.	\$32,100,000
Coffman Cove	City of Coffman Cove	Coffman Cove City Marine Repair Equipment (3 of 4)	Provide Coffman Cove with a set of equipment to pull boats in and out of the water	\$300,000
Coffman Cove	City of Coffman Cove	Archaeological Project (4 of 4)	Continue the archaeological project funded by Congress in FY05.	\$900,000
Coffman Cove	City of Coffman Cove	Coffman Cove Dock/Harbor Expansion (2 of 4)	A continuation of the ongoing Corps of Engineers dock investigation to expand the dock for health, safety, and to support increased demand for dock space by commercial vessels	\$3,000,000
Coffman Cove	City of Coffman Cove	Coffman Cove Power Line Extension (1 of 4)	Extend the power lines from the current hydroelectric grid 40 miles to Coffman Cove and another 10 miles to Naukati	\$6,500,000
Cook Inlet and Kodiak	Cook Inlet Regional Citizens Advisory Council	Priority Places of Refuge - Cook Inlet RCAC (1 of 1)	Gather information pertinent to the use of priority Potential Place of Refuge sites for vessels in distress and to develop readily available databases and response tools specific to these sites.	\$1,000,000
Cook Inlet region	Cook Inlet Aquaculture Ass'n	Cook Inlet Fishing Community Assistance through Fisheries & Enhancement	Long term assistance to Cook Inlet fishing community through salmon rehabilitation & enhancement.	\$2,055,000
Cordova	City of Cordova	Cordova Harbor Boat Hoist (2 of 2)	To purchase a traditional boat hoist.	\$1,000,000
Cordova	City of Cordova	The Cordova Center (1 of 1)	Visitor and convention center, emergency response center, museum, library, performing artist theatre/auditorium, meeting rooms, education areas and associated work space	\$1,216,000

Craig	City of Craig	Community Quota Entity Individual Fishing Quota Purchase (5 of 5)	Program allows local communities to have some control over fishing quota that is slowly migrating to larger communities as fishermen move, retire, or sell quota	\$200,000
Craig	City of Craig	Craig Street Improvements (2 of 5)	Completion of utility upgrades and providing new hard surfacing of about 6.9 miles of existing roads and 40,000 sq. ft. of public use parking lots.	\$250,000
Craig	City of Craig	Craig Water and Sewer Improvements (3 of 5)	Match funding for Alaska Village Safe Water and Community Capital Matching Grant Funds for two water/wastewater projects	\$300,000
Craig	City of Craig	Fish Processing and Community Cold Storage Plant (4 of 5)	Construction of a new public cold storage and seafood processing facility	\$500,000
Craig	City of Craig	Craig Cannery Property Project (1 of 5)	Redevelopment of the Cannery Property	\$750,000
Cripple Creek	Calista Corporation	Crooked Creek Alternative Energy Study and Project (1 of 1)	Explore possibilities for wind and waste energy for powering remote village and development site specifically from the proposed Donlin Creek mine project.	\$2,000,000
Denali State Park Areaa	Great Alaska Council of the Boy Scouts of America	Denali High Adventure Base Alaska (Priority 1 of 1)	Develop previously purchased land for use as a self-sustaining, High Adventure Base for teenage youth (estimated 6,000 Boy and Girl Scouts annually from around the country) for training and skill development and participation in outdoor programs.	\$3,000,000
Dillingham	Nushagak Electric and Telephone Cooperative	Power Generation Upgrade Project in Western Bristol Bay	Complete phase three of generation plant replacements and upgrades, consisting of replacing 1962 Superior Series 40 350kW generator, upgrading substation interface to outside plant, upgrading undersized step-up transformer banks in order to carry normal load in the event of a transformer failure, construction and use of "cold storage" facility for Coop's heavy equipment and large material.	\$1,800,000
Eielson	Air Force Priority Project List	Eielson Repair Arctic Utilidors (4 of 8)	Replaces utility lines & repairs 27 miles of utilidors.	\$9,900,000
Eielson Air Force Base	State of Alaska	Joint Communications Facility (FTQW 05-9901)	To complete a communication facility to support the 168th Air Refueling Wing's 8 PAA KC-135 aircraft	\$6,300,000
Elmendorf	Air Force Priority Project List	Elmendorf Quick-Turn Dining Facility & In-Flight Kitchen (5 of 8)	Constructs dining hall & in-flight kitchen.	\$6,100,000
Elmendorf	Air Force Priority Project List	Elmendorf DOD Joint Regional Fire Training Facility (6 of 8)	New training facility for confined space, hazardous materials, rail car & auto extraction.	\$6,200,000
Elmendorf	Air Force Priority Project List	Elmendorf Vehicle Ops & Automated Vehicle Wash (8 of 8)	Constructs a 900 SM vehicle operations facility w/inside wash.	\$6,300,000
Elmendorf	Air Force Priority Project List	Elmendorf C-17s Short Austere Airfield (7 of 8)	Constructs runways, taxiways, shoulders & overruns	\$16,000,000
Elmendorf	Air Force Priority Project List	Elmendorf Repair Arctic Utilities & Infrastructure (3 of 8)	Repairs utility distribution/collection lines.	\$100,000,000
Emmonak	Yukon Delta Fisheries Development Ass'n	Regional Cold Storage & Fish Processing Facility	To design/construct a regional cold storage & fish processing facility in Emmonak.	\$3,000,000

Fairbanks	Cold Climate Housing Research Center	Product Testing and Development for Cold Climate (Priority 1 of 1)	Funding to launch the Product Testing and Development for Cold Climates Program at the Cold Climate Housing and Research Center (CCHRC).	\$399,958
Fairbanks	Fairbanks Native Ass'n	Fairbanks Behavioral Health Continuum of Care	Funding to retain substance abuse/mental health service options for Alaskans	\$500,000
Fairbanks	University of Alaska	Coastal Vulnerability to Climate Change	This component of the initiative will launch efforts to identify specific adverse weather events, link these into weather models and then further up into the large climate projection models, and so predict possible trends in these specific, problematic events.	\$1,000,000
Fairbanks	University of Alaska	Airborne Threats	Project will survey and benchmark existing technologies for real-time identification of airborne chemical, radiological and biological compounds, explore innovative applications of MEMS-based particle separation, collection, and spectroscopic identification methods, and build engineering prototype detection systems with reduced costs of ownership that meet combat deployment, homeland security and first responder requirements. The systems will be suitable for rapid deployment on small, mobile platforms such as UAVs.	\$2,000,000
Fairbanks	University of Alaska	Unmanned Aerial Vehicle Research	Staff at the University of Alaska Fairbanks Geophysical Institute are using their operational knowledge, technical background, and airspace expertise to conduct unmanned aircraft system experiments. Their work is focusing on identifying the various hurdles that must be overcome for a new operational concept to become financially feasible. They are doing this by performing both long and short-term demonstration projects using the unmanned aircraft system owned by the University.	\$2,000,000
Fairbanks	University of Alaska	Alaska Climate Center	This Center would provide UAF with human and computational resources to support the work needed by the PIs in the area of weather forecasting research (WRF). WRF has been developed and is overseen by the National Center for Atmospheric Research (NCAR) and other federal interests.	\$3,000,000
Fairbanks	University of Alaska	Hibernation Genomics - Purchase of an MRI Machine	The purpose of the proposed initiative is to establish a magnetic resonance imaging (MRI) facility in Alaska. This facility will enhance research infrastructure for studies of Arctic and sub-Arctic phenomenon including energetics and metabolism in hibernation, tolerance to lack of oxygen, lack of blood flow and extreme cold in a variety of Arctic species. Research at the facility may lead to development of improved therapeutics for stroke and cardiac arrest and combat causality care.	\$3,000,000
Fairbanks	University of Alaska	Alaska Center for Energy & Power	The Alaska Center for Energy and Power (ACEP) is a proposed transition for the Arctic Energy Technology Development Laboratory (AETDL). ACEP seeks only partial support from federal sources and seeks to meet state and regional needs through research, development, and testing in three focus areas. The first is sustainable energy. The second leg of ACEP is "Powering the Economy". The third leg of ACEP is the "oilfield of the future".	\$3,000,000

Fairbanks	University of Alaska	Arctic Regional Supercomputer	Ongoing funding for the maintenance and operation the Arctic Regional Supercomputer. ARSC is a significant resource for the university, providing a full range of computational, data and visualization systems to the faculty, staff, and students. It is also a resource for the Dept of Defense in support of computational requirements of the DOD research and development community.	\$5,000,000
Fairbanks	University of Alaska	Alaska Volcano Observatory	The Alaska Volcano Observatory provides 24/7 geophysical monitoring of Alaska's 31 most hazardous volcanoes and satellite surveillance of the entire Aleutian and Kamchatka volcanic arcs. Modest eruptions can disrupt commerce and day-to-day activities in coastal villages and the Cook Inlet region. However, the greatest potential for loss of life and property and the greatest focus on volcano hazards resides with the airline industry where some 20,000 passengers and billions in aircraft and cargo transit the North Pacific volcanic arcs daily.	\$10,000,000
Fairbanks	Air Force Priority Project List	Eielson Replace Youth Center (1 of 8)	To upgrade existing facility	\$12,200,000
Fairbanks	University of Alaska	National Undersea Research Program (NURP)	Based on the recent concerns about the sustainability of marine living resources, a major effort is now underway by scientists, managers, and policy makers to advance the ocean sciences. Much of this effort lies in the emerging field of marine benthic habitat characterization and mapping. The states of Oregon, Washington, California and Alaska are now independently initiating efforts to include their respective regions into the ground swell of coastal and marine science habitat investigative activities.	\$20,000,000
Fairbanks (Organized from that Location)	University of Alaska	NABOS (Nansen and Amundsen Basins Observational System) - Russian Icebreaker Missions	The overall purpose of the experiment is to provide a quantitative, observationally based assessment of circulation, water mass transformations, biogeochemical fluxes, key mechanisms of variability in the Arctic Ocean, and links to the lower-latitude processes.	\$3,000,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Wildfire Mitigation, Phase Three (1 of 9)	To continue wildfire mitigation efforts through hazardous fuel reduction within diseased black spruce forests.	\$1,000,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Tanana Lakes Wildlife Preserve (7 of 9)	Continued restoration of a 750 acre site park/wildlife area which was an illegal dump.	\$1,000,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Ft. Wainwright & Eielson Air Force Base Transit Project (4 of 9)	Wants to augment its mass transit system w/bus service between FWW & Eielson. Would purchase 6 new buses.	\$1,050,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Alaska Sustainable Energy Center (9 of 9)	Will prepare the site, secure professional services, purchase equipment, perform testing/certification, & collaborate w/other entities focused on developing new technology, working w/rural community stakeholders.	\$2,250,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Air Quality PM 2.5 Attainment Implementation Project (6 of 9)	Would concentrate on replacing non-EPA certified woodstoves in homes of low income families who burn wood for heat.	\$2,600,000
Fairbanks North Star Borough	Fairbanks North Star Borough	Metropolitan Transportation System, Highway Bridges (3 of 9)	To repair 2 structurally deficient bridges in FAI - Wendell Street Bridge & University Avenue Bridge.	\$4,000,000
Fairbanks North Star Borough	Fairbanks North Star Borough	World Eskimo-Indian Olympics Center at Pioneer Park (8 of 9)	To expand/upgrade existing Native Village located at Pioneer Park. Will serve as indoor/outdoor gathering-demonstration-training venue for the youth to carry on World Eskimo-Indian Olympics.	\$4,500,000

Fairbanks North Star Borough	Fairbanks North Star Borough	Rural & Road Service Area Transportation Upgrades (2 of 9)	Will upgrade a number of small poorly maintained bridges, culverts, low lying roads that often flood/were damaged by high water events.	\$5,000,000
Fort Richardson, Elmendorf AFB, and Fort Wainwright	Armed Services YMCA of Alaska	Accessible Van Support for Armed Service YMCA of Alaska Military Transportation program (1 of 1)	Provide free public transportation for military personnel and their families Monday - Friday from 7:30am to 9pm.	\$92,500
Galena	Galena City School District	Galena City School District	Requesting funds to support residential hall services with student "asset development" sponsored in conjunction with the Alaska School Boards Association. 18 trained residential hall staff guide the 132 students through on-going appraisals of the 40 developmental assets each possess.	\$500,000
Girdwood	Alaska Department of Transportation & Public Facilities	Girdwood Transportation Bus Stop Improvements (2 of 2)	Wants to build pull-outs, add shelters, benches, solar panel lights & trash receptacles, equipment to maintain the stops.	\$93,749
Girdwood	Alaska Department of Transportation & Public Facilities	Girdwood Transportation Maintenance Facility (1 of 2)	Funding to develop a site/building design & build a new maintenance & storage facility that is fully equipped for the growing transit service & Girdwood community.	\$173,749
Gulf of Alaska	Gulf of Alaska Coastal Communities Coalition (GOAC3)	Gulf of Alaska Coastal Communities Coalition (1 of 2)	Assist federal policy makers in identifying the sources of loss of fishing effort, analyze the impacts on those communities and design programs that will mitigate or reverse the trend and will provide creative solutions to make the Gulf of Alaska fishing communities strong and economically viable.	\$185,934
Gulf of Alaska, Bering Sea, Aleutians	Alaska Department of Fish and Game	Rockfish Research	Researches rockfish fisheries due to the lack of good biological data on these fish stocks. Adult fish of this species are highly vulnerable to over fishing and localized depletion	\$1,000,000
Gustavus	City of Gustavus	City of Gustavus Public Dock and Floats (1 of 1)	Reconstruction of dock	\$3,500,000
Haines	Haines Borough	Haines Sewer & Water Upgrades (3 of 4)	Replaces over 3000 ft of asbestos cement pipe on View St, 4th Avenue, Lynnvue Dr. along w/service connections to the properties served by this line.	\$750,000
Haines	Haines Borough	Haines Waterfront Development (4 of 4)	Will cover purchase/development of the site. These developments will be part of a coordinated effort to redevelop the waterfront properties & make this area more attractive to business revitalization.	\$900,000
Haines	Haines Borough	Haines Road Improvements (2 of 4)	Roads in Haines are substantially deteriorated. All roads in the project area are arterial community streets that access the business district/healthcare facilities and connect historic Ft. Seward w/downtown Haines.	\$2,000,000
Haines	Haines Borough	Haines Boat Harbor Project (1 of 4)	Will fund breakwater construction, dredging, general navigation. State is covering mooring basin dredging, float systems & shoreside facilities.	\$11,232,000
Haines Borough	Alaska Department of Transportation and Public Facilities	Haines Highway: MP 3.5 to 25.3 Reconstruction, airport to the Bluffs	To complete environmental document preparation for the upgrade of the Haines Highway for transport of gas pipeline material	\$3,990,000

Hollis	Inter-Island Ferry Authority	Hollis Terminal Dredging and Improvements (2 of 3)	Perform maintenance dredging from under the transfer bridge float at the Hollis IFA Terminal and provide a diversion wall or sump for future maintenance dredging, provide a source of standby generated power to the Hollis terminal, and complete the asphalt surfaces and painting of the terminal parking and staging areas	\$872,000
Homer	Kachemak Kids Early Learning Center	Kachemak Kids Early Learning Center's "Whole Child" Program (1 of 1)	Serve children regardless of their families' income, race, color and country of origin. Provides solution to the urgent need for childcare and preschool in Homer.	\$40,290
Homer	City of Homer	East Boat Harbor (4 of 7)	Construct new boat harbor	\$400,000
Homer	City of Homer	Homer Spit Trail completion (7 of 7)	Complete the Spit Trail with a board walkway along the southwest side of the harbor to the End of the Road Park	\$750,000
Homer	City of Homer	Deep Water Dock Expansion, Phase 1 Design (3 of 7)	Upgrade the Deep Water Dock, widen the existing dock to 88 feet and increase overall length to 744 feet and widen and strengthen the existing trestle	\$1,000,000
Homer	City of Homer	New Water Source (6 of 7)	New water source to augment Bridge Creek Reservoir	\$1,212,500
Homer	City of Homer	Water Treatment Plant (1 of 7)	Provide a new water treatment plant until a new water source can be developed	\$1,300,000
Homer	City of Homer	Bridge Creek Watershed Land Acquisition (5 of 7)	Acquire land to expand the existing water treatment plant and restrict development that is incompatible with clean water.	\$2,000,000
Homer	City of Homer	Homer City Hall/Town Square (2 of 7)	Replace current City Hall with a new building and grounds that include a large outdoor town square.	\$2,000,000
Hoonah	City of Hoonah	Hoonah Marine Industrial Center (2 of 2)	Phase 2 of the Hoonah Marine Industrial Center, needs funding for a 220 ton Travel lift, wash down pad with pretreatment plant, water service, electrical service and paving.	\$3,000,000
Iliamna, Newhalen, Nondalton, in the Bristol Bay region of SW AK	Iliamna, Newhalen, Nondalton Electric Cooperative, Inc.	Tazimina Hydroelectric Project	Requesting funds to cover unforeseen construction difficulties/inflation in order to lower residential power costs.	\$3,000,000
Interior	Alaska Department of Labor & Workforce Development	Fairbanks Pipeline Worker Training Facility	The pipeline worker training facility will ensure Alaska can meet all the training demands to produce a skilled workforce to build an Alaska gasline.	\$3,000,000
Interior	Alaska Department of Transportation & Public Facilities	Dalton Highway Culverts Milepost 260-321	To replace six undersized, failed and/or failing culverts with large diameter fish passage culverts.	\$10,000,000
Interior Alaska	Literacy Council of Alaska	Literacy Council of Alaska (LCA)-Workforce Library (Priority 1 of 1)	Seeks funding for one full time staff to explore the idea of work place literacy, develop marketing tools, build relationships with potential contracting entities, recruit and train tutors and create a sustainable work-force literacy program in Alaska.	\$46,675
International Circumpolar Region	Inuit Circumpolar Council Alaska	ICC-Alaska Indigenous American Participation in Arctic International Forums (2 of 2)	Will provide funding for ICC AK to fulfill its responsibility for the remainder of its term as chairmanship of ICC International through 2010. Typically, the sponsoring country provides the funding for this participation. Would cover travel & accommodations/administration/communications/conferences for 2009.	\$150,000
Irkutsk, Siberia	Helpful Hearts	Project Irkutsk 2009	To provide as much basic needs as possible to orphans in Irkutsk/Lake Baikal & remote areas.	\$20,000

Juneau	Catholic Community Services/Hospice and Home Care of Juneau	Hospice and Home Care of Juneau, a Division of Catholic Community Services (1 of 1)	Requests startup funding to provide assurance that this agency will be able to provide a Durable Medical Equipment option in Juneau as required to maintain CMS mandated requirements as an essential component of the Medicare Certified Hospice Accreditation	\$400,000
Juneau	Juneau Family Birth Center	Juneau Family Health and Birth Center (1 of 1)	Build the new Juneau Family Health and Birth Center which will provide an outgrowth and expansion of services currently provided at the Juneau Family Birth Center.	\$500,000
Juneau	City & Borough of Juneau	Auke Lake Wayside & Trail Improvements (6 of 7)	Funding to support improvements to the Wayside Park/build a floating boardwalk. Will provide public parking/boat launch/picnic shelter/restrooms & proposed interpretive amenities for trail/watercraft users.	\$1,300,000
Juneau	Eaglecrest Ski Area/City & Borough of Juneau	Electrical Power to FAA Weather Tower (5 of 7)	Will partially fund the electrical power line connection from the North Douglas Hwy to the top of Eaglecrest Mountain & construct a 4-wheel drive access road.	\$1,400,000
Juneau	Bartlett Regional Hospital	Health Facility Equipment for Bartlett Regional Hospital (4 of 7)	Funding for a nuclear medicine camera, digital mammography equipment, slice scanner, & autoclave.	\$2,900,000
Juneau	City & Borough of Juneau	Approach Lighting Runway 26 MALS (3 of 7)	To install approach lighting equipment.	\$4,160,700
Juneau	City & Borough of Juneau	North Douglas Channel Crossing (1 of 7)	Will finish the EIS for North Douglas Channel Crossing project.	\$4,500,000
Juneau	City & Borough of Juneau	NOAA Funding for John Cobb & Berthing at Juneau (2 of 7)	Funding to replace the John Cobb research vessel which will be decommissioned/and to berth the vessel in Juneau.	\$15,000,000
Juneau	City & Borough of Juneau	Reprogram DOT funds to Basin Road Bridge Repair Project (7 of 7)	Reprogrammed funds will go toward planning, designing, repairing and/or replacing the Basin Road wooden trestle bridge.	NO FUNDS REQUESTED/REPORT LANGUAGE
Juneau and the surrounding area of Southeast Alaska	City of Hoonah, Inside Passage Electric Cooperative, Alaska Electric Light & Power	Juneau Area Power Supply (Priority 1 of 1).	The Juneau Area Power Supply System is a \$113 million plan to provide a long term, reliable and renewable hydroelectric energy system for Juneau and the surrounding area of Southeast Alaska.	\$33,000,000
Kake	Kake Tribal Corporation	Kake Tribal Compost & Business Incubator Center (Priority 1 of 1)	The compost project makes use of chipped waste wood, left over from the logging days, and salmon carcasses from the Kake salmon hatchery. This project succeeded in its test phase, producing a high quality product: potting and garden soil. The funding would allow for the purchase of additional equipment that would advance the project to an efficient level of production and provide for marketing of the products.	\$2,000,000
Kenai	City of Kenai	Kenai Spur Highway - Main Street to Forrest Drive	Replaces an existing, failing street light system.	\$250,000
Kenai	Kenai Peninsula Community Care Center (KPCCC)	Kenai Peninsula Community Care Center Youth Gymnasium	Requesting funds for building the gymnasium which will complete the capital project which includes new office space and expanded parking.	\$440,000
Kenai	City of Kenai	Maintenance Shop Site Remediation (6 of 8)	Project would remediate a contaminated site. Includes the excavation of contaminated materials, delineation of contaminated materials, remediation and installation of monitoring wells.	\$450,000

Kenai	City of Kenai	Lower Kenai River Drift Boat Pull Out	Construction of a "drift boat only" pull out on the lower Kenai River.	\$500,000
Kenai	City of Kenai	Kalifornsky Beach Road - Pedestrian Pathway (5 of 8)	Construct a pedestrian pathway of approximately two miles in length along Kalifornsky Beach Road from Bridge Access Road to Cannery Road.	\$750,000
Kenai	City of Kenai	Kenai Community Library Expansion (2 of 8)	Construct a 10,000 square foot addition to the existing library.	\$2,000,000
Kenai	City of Kenai	Kenai Spur Highway - Upgrade Five Intersections (3 of 8)	Construct five existing intersections on the Kenai Spur Highway between Kenai and Soldotna	\$3,000,000
Kenai	City of Kenai	Kenai River Bluff Erosion/Stabilization (1 of 8)	Construction of a bluff stabilization structure.	\$20,000,000
Kenai	City of Kenai	Kenai Spur Highway - Upgrade to Five Lane Configuration Between Kenai & Soldotna (4 of 8)	Upgrade the existing Kenai Spur Highway between Kenai and Soldotna for a two lane highway to a five lane highway, including lighting, drainage, utility relocations and other related work.	\$30,000,000
Kenai Peninsula Borough	Kenai Peninsula Borough	Kenai River Center Projects (3 of 7)	This will fund 4 specific projects - Property owners guide to living along coastal areas/eroding shorelines; continue w/watershed assessment/characterization of priority watersheds; baseline water quality & sediment studies; & road & culvert improvements on salmon streams/upstream habitat.	\$547,000
Kenai Peninsula Borough	Kenai Peninsula Borough	Kenai River Center Expansion (5 of 7)	To provide expansion to the Kenai River Center building to facilitate locating the US Army Corps of Engineers Kenai Field Office Personnel.	\$2,282,000
Kenai Peninsula Borough	Kenai Peninsula Borough	Spruce Bark Beetle Infestation (4 of 7)	This funding is for continued removal of hazard trees, restoring urban interface, continuation of identifying/implementing fire hazard & forest health management and to construct emergency response facilities/update emergency response equipment.	\$5,000,000
Kenai Peninsula Borough	Kenai Peninsula Borough	Kenai Peninsula Borough Bridge Improvements (6 of 7)	Reallocation of \$5,000,000 federal earmark grant for the Funny River Bridge Project to other specific Borough projects. Lost Creek Bridge #1838; Dolly Creek Bridge on Oilwell Rd; Henry Creek Bridge; Running Water Bridge #1873; Dorothy Drive Bridge #1876; Old Exit Glacier Bridge South #1293; Stickleback Road Bridge; Tauriainen Trail Bridge; Chakok Road Bridge #0979	\$5,000,000
Kenai Peninsula Borough	Kenai Peninsula Borough	Keystone Drive Reconstruction and Upgrades (Priority 1 of 1)	Upgrading and paving of the Keystone Drive, a 3.2 mile long dirt/gravel road that parallels the Kenai River.	\$478,152
Kenai Peninsula Borough/Seward-Bear Creek Area	Kenai Peninsula Borough	Flood Mitigation Improvements (2 of 7)	To reduce/prevent flooding hazards in the Seward/Bear Creek Flood Service area. Would clear out sediment where bridges/culverts are too small, upgrade road/drainage features, relocation of some structures encroaching into the floodway and continue to id/prioritize work efforts in conjunction w/state & fed planning & permitting agencies.	\$3,000,000

Ketchikan	Ketchikan Gateway Borough	Geographic Information System Update	Update the current Geographic Information System (GIS). Migration of current GIS to more cost efficient and productive software as well as computer hardware infrastructure and bandwidth to the Internet	\$50,000
Ketchikan	City of Ketchikan	Ketchikan Emergency Operations Center (6 OF 6)	Construction of new fire station facilities	\$500,000
Ketchikan	Ketchikan Gateway Borough	Ketchikan Multi Use Facilities	Installation of an artificial surface with under-drains at the facility, installation of necessary lighting to accommodate multi-use facilities, utilities associated with the facilities upgrade.	\$650,000
Ketchikan	Ketchikan Gateway Borough d.b.a North Tongass Volunteer Fire Department	Regional Fire Training Center	Provide a regional service for fire and safety in Southern SE, Alaska	\$691,900
Ketchikan	Ketchikan Gateway Borough	Development of Parking Facilities at Ketchikan International Airport	Funds will be used for paving, curbing and striping of the airport parking lots.	\$1,000,000
Ketchikan	Alaska Forest Association	Wildlife Enhancement --AK Forest Assn. (Priority 5 of 5)	This project will provide a Wildlife enhancement thinning project on Prince of Wales Island. This can be accomplished by thinning 500 acres.	\$1,100,000
Ketchikan	City of Ketchikan	Water Main Replacement (4 of 6)	Replace deteriorated water/wastewater mains within Tongass Avenue, from Bryant Street to 1600 block of Tongass Avenue.	\$1,419,708
Ketchikan	City of Ketchikan	Whitman Hatchery Infrastructure (3 of 6)	Will utilize an existing KPU-owned dam on Whitman Lake. Will modify the currently operated hatchery, add a new degassing system, changes to the raceway, incubation room & oxygen system piping, new siphon intake line & vacuum pump, valve house/valves, fish ladder & collection pool for fish attracted to the powerhouse tailrace.	\$1,500,000
Ketchikan	Ketchikan Gateway Borough	Replacement of Mountain Point Water Treatment Plant and Herring Bay Water Distribution System	Construction of a new water filter plant to replace the aging and inefficient water filter plant for the Mountain Point Water Utility. Includes upgrade to the existing Herring Bay water distribution system tributary piping which will be connected to the Mountain Point Water Utility.	\$2,000,000
Ketchikan	South Tongass Volunteer fire Department	South Tongass Fire Department Fire Station Replacement Phase 2 (1 of 8)	Fire Dept. seeking funding for its new fire station	\$2,040,000
Ketchikan	City of Ketchikan	Port of Ketchikan Berths I and II Replacement Project (5 of 6)	To preserve/maintain wood docks through the 2009 Cruise ship season.	\$2,820,000
Ketchikan	City of Ketchikan	EPA Disinfectant Byproduct Compliance (1 of 6)	Design/construction of new facilities that will provide ultraviolet light for primary disinfection/chloramines for residual disinfection. The City has agreed to cover 50% of the funding.	\$3,250,000
Ketchikan	City of Ketchikan	Ketchikan General Hospital Surgical Unit Upgrade (2 of 6)	Expansion and relocation of the hospital's surgical suite and associated support areas	\$4,400,000
Ketchikan	Inter-Island Ferry Authority	Interisland Ferry Authority (IFA) Terminal in Ward Cove, Alaska (1 of 3)	Improve and maintain infrastructure of IFA	\$4,800,000

Ketchikan	Alaska Forest Association	Tongass Legacy Timber Funding--AK Forest Assn. (Priority 3 of 5)	The new Tongass Land Management Plan has been issued. It requires preroding to reach any level of timber sale funding. This program will fund necessary road and log transfer facility projects to access timber for the present and future timber program. This is similar to funding included in prior bills. Program will fund necessary road and log transfer facility projects to access timber for the present and future timber program	\$5,000,000
Ketchikan	Alaska Forest Association	Tongass Timber Pipeline and Ten Year Sale Funding -- AK. Forest Assn. (Priority 2 of 5)	Program will provide necessary timber pipeline funding to insure a viable timbers supply in the future.	\$5,000,000
Ketchikan	Alaska Forest Association	Red Cedar Amendment -- AK Forest Assn (Priority 1 of 5)	This request will continue the Red Cedar amendment which has been in the Interior and Related Agencies bill for the last 7 years. The bipartisan amendment insure that the USF correctly provides for appraisal of the timber in the Tongass, does not prepare deficit timber sales and sets the rules by which red cedar can be exported to mill outside of Alaska	NO FUNDING/REPORT LANGUAGE
Ketchikan	Alaska Forest Association	Secure Rural Schools Incentive -- AK Forest Assn. (Priority 4 of 5)	Proposal for discussion on how to fund the Secure Rural Schools funding. The concept is to return at least part of the funding to the original concept, allocation of USFS timber receipts to local counties and school systems.	non specified
Kincaid Park	Kincaid Park Group	Cultural, Historical & Educational Interpretive Displays	Funding for interpretive signs/educational displays about the history of the US military base in Kincaid Park & the associated Nike Missile Sites & their significance to the US during the Cold War; education about the Dena'ina Indians & their history of making their home in Kincaid.	\$355,000
King Salmon	Southwest Alaska Vocational & Education Center (SAVEC)	Vocational & Education Center Enhanced Services	Develop a comprehensive regional workforce training and development program for Southwest Alaska that would prepare the region's workforce to enter high demand career fields that lead to self-sustainability	\$600,000
King Salmon, Egegik, Pilot Point, Ugashik, and Chignik	The Conservation Fund and Southwest Alaska Conservation Coalition	Salmon Habitat and Native Allotment Conservation - Alaska Peninsula and Becharof National Wildlife Refuges (5 of 5)	Numerous Native allotments are for sale along this salmon producing rivers of these areas. Native landowners want to sell for a variety of reasons and by working with willing sellers, conservation of these allotments will protect the habitat and recreational value of these rivers.	\$750,000
Kivalina, Northwest Arctic Borough	Northwest Arctic Borough	Kivalina Shoreline Protection and Rock Revetment Project (1 of 3)	Constructing a 2000 ft. rock revetment erosion control barrier along 3450 linear feet of the City of Kivalina's island perimeter	\$11,100,000
Klukwan	Chilkat Indian Village	Jilkaat Kwaan Cultural Heritage Center & Bald Eagle Observatory Phase III	Complete phase three of JKCHC: construction of Heritage Center and Bald Eagle Observatory.	\$2,000,000
Kodiak	City of Kodiak	Marine Travel Lift (2 of 2)	Purchase of a marine travel lift to service, repair, drydock vessels over 60 feet.	\$700,000
Kodiak	University of Alaska	Converting Alaska's Seafood Processing Byproducts	The over-arching goal of this project is to develop new knowledge that will be used to increase the value of under-utilized seafood processing by-products. UA is requesting funds to build a small scale, low cost, transportable pilot plant unit that can effectively purify oil from salmon heads. The unit would be sized such that it could be easily shipped by container to remote and seasonal salmon processing operations for proof of concept experimentation.	\$900,000
Kodiak	City of Kodiak	Small Boat Harbor Dredging (1 of 2)	Dredging of residual rubble from construction of St. Herman Harbor. St. Paul Harbor has siltration that is impeding entrance into its channel.	\$2,000,000

Kodiak Island	Kodiak Island Borough	Kodiak Island Road Improvements (2 of 6)	Feasibility study will examine air/road/marine transportation networks & make recommendations for improvements to bolster economic development & service delivery.	\$125,000
Kodiak Island	Kodiak Island Borough	Women's Bay Shelter (4 of 6)	There is no emergency shelter in the community. This would provide adjacent to the Women's Bay Fire Dept a 2500 sq foot addition w/an emergency generator.	\$800,000
Kodiak Island	Kodiak Island Borough	Anton Larsen Bay Dock (3 of 6)	To improve/replace the dock.	\$1,000,000
Kodiak Island	Kodiak Island Borough	Baranof Park Improvements (6 of 6)	Will replace an aging track and provide field drainage/bleacher area w/a synthetic surface for multi-purpose use on two fields.	\$2,500,000
Kodiak Island	Kodiak Island Borough	Kodiak Island Road Improvements (5 of 6)	Most of the roads are compacted gravel w/finer material. It is a continuous struggle to maintain in a rainy climate.	\$5,000,000
Kotzebue	Native Village of Kotzebue	New Facility for Nikaitchuat Iisagviat Language Immersion School	Build a new facility for Nikaitchuat Iisagviat Language Immersion School, which will accommodate two separate classrooms and combine Native Village of Kotzebue's Tribal Offices and a qatigii (community meeting place).	\$250,000
Kotzebue	Kotzebue Electric Ass'n Inc.	Vanadium Red-Ox Flow Battery Energy Storage System	To reduce the use of diesel fuel. Will enhance the KEA wind program.	\$1,300,000
Kotzebue	City of Kotzebue	Small Boat Harbor (3 of 4)	Construction of a boat harbor.	\$1,500,000
Kotzebue	City of Kotzebue	North Shore Erosion Protection (1 of 4)	Would rehabilitate a road extending north of Shore Avenue at the Crowley Marine Services Dock, then north approximately 1,100 lineal feet & provide erosion protection measures	\$5,500,000
Kotzebue	City of Kotzebue	Kotzebue Dust Abatement and Asphalt Repair (2 of 4)	Will allow the city to continue to add pavement to its roads to help mitigate airborne dust related problems. Will pave approximately 4,6000 lineal ft of road, beginning at section of Ptarmigan Way & 5th Avenue, Ptarmigan SE towards Otter St, Otter St NE to Turf St, NW on Turf St to 4th Ave, then NE on 4th Ave to north edge of AK Technical Center.	\$6,250,000
Kotzebue	Maniilaq Association	Maniilaq Health Center Elder Care Addition (1 of 2)	Add an Elder Care unit to the Maniilaq Health Center.	\$7,000,000
Kotzebue	City of Kotzebue	Cape Blossom Road Expansion (4 of 4)	Entails the completion of construction of a 10-mile access road from Kotzebue to Cape Blossom, south of the community. Four miles is partially funded, need to complete 6 additional miles. Money is for implementation & construction of this project.	\$20,000,000
Kotzebue, Northwest Arctic Borough, Nana region	NANA Development Corporation	Alaska Technical Center Expansion and Training Funds (3 of 3)	Combine the resources of Kotzebue High School, the Alaska Technical Center (ATC), and Chukchi College and offer HS diplomas, and up to 2 years of college and technical education. Construction of a 100 student dorm and additional housing facilities and classroom space at ATC.	\$19,000,000
Kwajalein Island	Chugach Alaska Corporation	Kwajalein - USAKA/RTS Operations Center and Housing (2 of 3)	To construct a new tactical operations/control center and housing at Kwajalein Island	\$5,000,000
Lower Kuskokwim, Kenai, Kodiak, Anchorage, Galena, Nome	Avant-Garde Learning Associates	Skills Alaska (1 of 1)	Work with existing school curricula to ensure better alignment to standards. Provide educators with the latest web-based technology to instantly analyze classroom data and make informed decisions about how to change instruction to improve student achievement	\$3,742,500

Mat Su Valley	Mat Su Community Transit	GIS Technology Update (1 of 2)	Funding for the acquisition of intelligent transportation technologies to help operate coordinated systems inclusive of Geographic Information Systems (GIS) mapping, GPS, and onboard data terminals	\$250,000
Mat Su Valley	Mat Su Community Transit	Bus Facility enhancements (2 of 2)	Expand parking for visitors, staff, employees, and buses and add bus bays	\$1,000,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Fish Passage Improvements (Culverts) (6 of 7)	Replace 17 culverts for fish passage in different locations throughout the Borough.	\$2,236,500
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Matanuska River Erosion Management (4 of 7)	Repair existing spur dikes, construct additional spur dikes, and extracting gravel from the central portion of the flood plain to reduce erosion.	\$2,500,000
Matanuska-Sustina Borough	Valley Community for Recycling Solutions	Regional Resource Recovery and Training Park Construction	Construction of an enlarged recycling facility to receive and process more materials from business, industry, government and individuals.	\$2,500,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	South Denali Visitor Center (5 of 7)	Construct the South Denali Visitor Center	\$4,500,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Hatcher Pass Ski Area (2 of 7)	Construct a 13,000 sq. ft. day lodge, parking, collector roads, and trails for the Hatcher Pass Ski Area.	\$6,000,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Unsafe Bridge Repair and Replacement (1b of 7)	Completing the environmental, design, permitting, and construction to rehabilitate or replace 15 vehicular bridges throughout the area.	\$6,700,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Agricultural Processing and Product Development Center (3 of 7)	Follow up to a feasibility study that was funded by Sen. Stevens in FY03. The processing center will freeze-process, blanch-process, and juice locally grown fruits, berries, and vegetables into high quality, low pesticide residue, consumer friendly products.	\$7,500,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Ferry Land Access Road and Landing (1c of 7)	Provide the ferry transport link between the Municipality of Anchorage and the Matanuska-Sustina Borough.	\$18,000,000
Matanuska-Sustina Borough	Matanuska-Sustina Borough	Priority Road Improvements (1a of 7)	Create a new north-south connection that will serve the most populous area of the Matanuska-Susitna Borough. Construction of several collector level roads within the Parks Highway, Wasilla to Big Lake.	\$25,000,000
Meadow Lakes, Mat-Su Borough	Meadow Lakes Community Council, Inc.	Meadow Lakes Multi-Use Community Center (1 of 1)	Construction of a new multi-use community center building. Designed to accommodate future expansion and to serve as an emergency disaster shelter for the Meadow Lakes area.	\$300,000
Mile 98, Parks Hwy near Talkeetna	Anchorage Community YMCA	YMCA Camp Peggy Lake	To process/purchase 160 acres owned by Mat-Su Borough	\$175,000
Naknek, Bristol Bay Borough	Bristol Bay Borough	Port of Bristol Bay, Phase II - Construction and Industrial Park (1 of 1)	Expansion to the Port of Bristol Bay	\$5,000,000
Naknek, Bristol Bay region of SW AK	Naknek Electric Ass'n, Inc.	SW AK Regional Geothermal Energy Project	The exploration phase of the project/funds resource id, quantification & knowledge base acquisition.	\$5,000,000
Naknek, King Salmon, Igiugig, and Levelock	The Conservation Fund and Southwest Alaska Conservation Coalition	Salmon Habitat and Native Allotment Conservation - Alagnak Wild River (3 of 5)	Numerous Native allotments are for sale along this salmon producing rivers of this popular river. Native landowners want to sell for a variety of reasons and by working with willing sellers, conservation of these allotments will protect the habitat and recreational value of these rivers.	\$750,000

Nana region, Northwest Arctic Borough	NANA Development Corporation	Northwest Arctic Community Centers (2 of 3)	Multi-purpose buildings providing office space for federal, state, tribal, and municipal employees. Also meeting space and kitchen facilities and serve as a community gathering place	\$3,000,000
Nana region, Northwest Arctic Borough	Nana Development Corporation	Noatak-Red Dog Mine access road, Noatak airport construction (1 of 3)	Design, engineering, and environmental work on proposed 26-mile road that would run from Noatak and connect with the haul road that links the Red Dog Mine to the Red Dog shipping port	\$5,000,000
National	Chugach Alaska Corporation	Sec. 8014 Language (3 of 3)	Requesting language limiting the DoD from converting to contractor performance with exceptions for firms with at least 51 percent Indian tribe ownership and other disadvantaged groups.	\$0
National	Alutiiq, LLC and Afognak Native Corporation	Alutiiq - Business Size Standard Adjustment for Power Generation (2 of 3)	Amendment to the Small Business Act to specify criteria for determining whether a power generation business qualifies as a small business concern under the Act	\$0
National	Port Graham Development Corporation	Toxic Guard Research (1 of 2)	To use sensors on the surface of packaging materials to analyze the content of the package. The focus is to detect bacterial & other contaminants, primarily for the packaging of smoked salmon for use by US troops/military personnel.	\$1,500,000
National	Mothers Against Drunk Drivers	Victim Services & Programs funding for MADD	This program serves all Americans. Funding of program.	\$2,500,000
National	Partnership for a Drug-Free America	Police and Communities Together (PACT)	To create the Police and Communities Together (PACT) program as a rapid response to battle all emerging drug threats, including methamphetamine as well as other threats such as Oxycontin, Vicodin and Fentanyl.	\$3,000,000
National	i-SAFE America, Inc.	i-Safe Internet Safety Education & Outreach Initiative	Will allow i-Safe to expand services to 22% of the entire AK student population and reach 6.2 million students nationally by the end of 2008 school year.	\$5,000,000
New York City	Alaska Native Arts Foundation	Alaska House (1 of 1)	Alaska House in Manhattan's SoHo neighborhood for shared use by Alaskan interests.	\$1,500,000
NOAA Northeast Fisheries Science Center, Woods Hole, MA	Biopar, LLC	NOAA Critical Fisheries Data Archiving and Automated Analysis Demonstration Project (1 of 3)	Automated fish scale digitization and analysis for fish aging and potential stock identification work. Note: No state institution or federal agency, nor any employee thereof, asked Biopar to submit this application on their behalf.	\$349,000
Nome	Northwestern Alaska Career and Technical Center	Northwestern Alaska Career and Technical Center (Priority 1 of 1)	Seeking funding for three years for operational support of a regional vocational learning center in Nome, Alaska. The center is designed to provide high school students with the necessary resources and skills to prepare them for killed employment opportunities and the pursuit of postsecondary education.	\$550,000
Nome	City of Nome	Causeway Extension Study (2 of 3)	To fund the road work authorized by the Water Resources Development Act (WRDA).	\$3,000,000
Nome	City of Nome	Nome Regional Public Safety Building (1 of 3)	To construct a multi-agency, multi-use facility to serve the community/region.	\$3,700,000
Nome	City of Nome	Wind Generation (3 of 3)	To add two 1.5 MW wind turbines	\$13,000,000
Nome	Norton Sound Health Corporation	Norton Sound Regional Hospital (new replacement) (Priority 1 of 3)	Construction for Norton Sound Regional Hospital to include site preparation and piling construction (first year of a Five Year Project)	\$48,502,000

Nome, Bering Strait Region	Kawerak, Inc.	Berginia Museum of Culture & Science (1 of 2)	Build a museum that highlights the Inuit traditions of the Bering Strait Region and Beringia	\$3,000,000
Nondalton, Port Alsworth, Iliamna, and Newhalen	The Conservation Fund and Southwest Alaska Conservation Coalition	Salmon Habitat and Native Allotment Conservation - Lake Clark National Park (4 of 5)	Numerous Native allotments are for sale along the many salmon producing rivers and lakes within the Lake Clark National Park along with recent interest in the Pebble Mine for hunting, fishing, subsistence and other outdoor recreation.	\$750,000
North Pole	City of North Pole	North Pole Utility Well Rehabilitation (5 of 6)	Upgrade equipment and support ongoing maintenance demands for the drinking water treatment plant and wells.	\$120,000
North Pole	City of North Pole	North Pole Pedestrian Facilities Project (6 of 6)	Sidewalk and curb improvements, awning covered benches and landscaping, a major three lane traffic artery that feeds the North Pole business district	\$250,000
North Pole	City of North Pole	North Pole Utility Lift Station Renovation (2 of 6)	Renovate three of city's lift stations a year	\$900,000
North Pole	City of North Pole	North Pole Waste Water Treatment Plant Expansion and Modernization (1 of 6)	Complete the remaining steps of land acquisition, engineering study and design, and construction in order to expand and modernize the Waste Water Treatment Plant	\$1,000,000
North Pole	City of North Pole	North Pole Utility Water Main Renovation (4 of 6)	Replace the deteriorating steel water mains. Requires excavation and reconstruction of streets.	\$1,733,000
North Pole	City of North Pole	North Pole Utility Sewer Line and Manhole Renovation (3 of 6)	Reline the sewer pipe and repair manholes to prevent leakage that can contaminate ground water	\$2,600,000
North Pole	Fairbanks North Star Borough School District	Renovate North Pole High School Career Technical Education Wing (priority 1 of 1)	Shops and classroom are well used and the equipment and spaces need to be replaced, updated, and modernized for today's work force.	\$3,969,000
Northwest Alaska	Maniilaq Association	Mapsivik Family Recovery Camp (2 of 2)	Mapsivik is a traditional family/individual alcohol and substance abuse rehabilitation facility offering both short- and long-term treatment utilizing both western and traditional approaches.	\$210,000
Northwest Arctic Borough	Northwest Arctic Borough	Projects to lower the cost of energy (3 of 3)	Expansion of an ice road—currently built from the City of Kotzebue to the Cities of Noorvik and Kiana—to the City of Selawik. This would be a less expensive route for the transportation of fuel	\$150,000
Northwest Arctic Borough	Northwest Arctic Borough	Local Law Enforcement Program (2 of 3)	Build a public safety system, infrastructure, transportation, recruitment, training, housing and recruit more village public safety officers	\$1,000,000
Ouzinkie	Ouzinkie Native Corporation	Ouzinkie Replacement Dock/Economic Development Infrastructure Project	Replace 44 yr old wood pile & timber dock with updated maintenance free rock/steel bulkheads.	\$4,000,000
Pacific Northwest, Alaska, Vancouver, British Columbia	Alaska Department of Fish and Game	Pacific Salmon Commission	Funds the US half of the bilateral Pacific Salmon Commission, created by the Pacific Salmon Treaty, to manage Fraser River salmon stocks.	\$3,100,000
Palmer Hay Flats State Game Refuge	Matanuska-Sustina Borough	Palmer Hay Flats States Game Refuge Natural Science Education/Community Center (7 of 7)	Construct a nature center that would provide year-round hands-on experiential learning, stewardship, and recreational opportunities.	\$6,300,000

Pelican	City of Pelican	City of Pelican: Energy Infrastructure Transfer of Ownership (1 of 1)	Transfer of ownership and operation of the Pelican Utility District, Certificate of Public Convenience and Necessity #24, Pelican Fuel dock Infrastructure and real property, operated by Pelican Seafoods, a division of Kake Tribal Corporation	\$3,000,000
Petersburg	City of Petersburg	South Harbor (2 of 2)	to expand the South Harbor in two phases. Phase I will include dredging/sheet pile bulkhead construction.	\$500,000
Petersburg	City of Petersburg	North Harbor (1 of 2)	To dredge the harbor.	\$1,000,000
Petersburg	Inter-Island Ferry Authority	South Mitkof Terminal Building and Improvements (3 of 3)	Improve and maintain infrastructure of IFA	\$2,084,000
Picktinny Arsenal, NJ	Port Graham Development Corporation	Toxic Guard Research: weapons & munitions technology (2 of 2)	To develop an antibody-based biochemical sensor for explosive/propellant materials in order to tell when they are starting to decompose.	\$1,500,000
Pribilof Islands	TDX Corporation	Pribilof Islands Economic Development (2 of 3)	Funding of design and environmental impact analysis related to expanded research facilities for the Federal agencies on St. Paul Island and a study to determine the feasibility of establishing a related facility on St. George Island	\$3,000,000
Prince of Wales Island	The Nature Conservancy	Prince of Wales Island Restoration Partnership (2 of 3)	Watershed restoration treatments at Harris River and Stanley Creek on the Craig and Thorne Bay Ranger Districts, and develop and implement a business model for the restoration economy	\$4,658,484
Prince of Wales Island	Alaska Power & Telephone Company	North Prince of Wales Island Intertie 1 out of 2 requests	Install 48 miles of 35 kV transmission line to intertie Naukati Bay and Coffman Cove to south POW grid, which is predominantly hydroelectric power.	\$5,999,606
Prince William Sound	Institute of Arctic & Alpine Research	Photogrammetric Survey, Columbia Glacier, Prince William Sound	Funding for photogrammetric observations of glaciological changes at Columbia Glacier.	\$228,762
Prudhoe Bay, AK; Hubbs-Seaworld Research Institute, San Diego, CA	Hubbs-Seaworld Research Institute, San Diego, CA	Acoustic Ecology of the Polar Bear; Applied Research to Develop Management and Mitigation Methods for Effects of Human-Made Disturbance (1 of 1)	Research to find objective, quantitative measures of biologically-significant disturbance, develop techniques for remote monitoring of bear responses, and recommend criteria for establishing safe exposure to human-made noise.	\$536,000
Rural & Underserved urban areas of AK	Big Brothers/Big Sisters of AK	Alaska Mentoring Demonstration Project	To extend evidence-based research proven mentoring solutions to underserved populations across the state of AK.	\$750,000
Rural AK	AK Village Initiatives	Project Code Red (1 of 2)	Delivers new state of the art fire-suppression technology designed to meet the needs of AK villages.	\$680,000
Rural Alaska	Boys & Girls Clubs Alaska	Boys & Girls Clubs Alaska's Triple Play, Rural Alaska Youth Fitness Initiative (Priority 1 of 1)	Requesting funding to provide outcome-based obesity prevention, and fitness, nutrition and life skill programs to 3,145 rural Alaskan school-age youth.	\$1,250,000
Rural Alaska	Alaska Department of Public Safety	Rural Law Enforcement Training and Equipment	Seeks funding to continue the Department of Public Safety's efforts to enhance the skills and expertise of law enforcement officers, including Village Public Safety Officers and Village Police Officers, in rural Alaska by providing them with basic and advance training and emergency response and search and rescue equipment.	\$2,000,000

Rural Alaska	Alaska Department of Public Safety	Rural Drug and Alcohol Interdiction	Focuses on preventing the manufacturing and trafficking of illegal drugs and alcohol and reducing their availability in rural Alaska through aggressive enforcement and community policing efforts, particularly in those communities that have restricted the sale, importation or possession of alcohol through the local option election process.	\$3,100,000
Rural Alaska	Alaska Department of Environment Conservation, Division of Water	Rural Alaska Sanitation Initiative	Provides funding for rural sanitation and contains language that the Safe Drinking Water Act be amended to reduce the match requirement from 50% to 25%, making permanent what the Senator has included in past language on an annual basis. For FFY09, \$45M is requested through EPA and \$26M is requested through USDA.	\$71,025,000
Rural Alaska Airports	State of Alaska, DOT&PF, Division of Statewide Aviation	Rural Alaska Lighting Program (RALP)	Provide runway lighting (MIRL's) at eight airports in rural communities and Precision Approach Path Indicators (PAPI's)/Runway End Identifier Lights (REIL's) for five airports.	\$10,365,000
Rural CAP Central Office & 29 rural communities	Rural AK Community Action Program, Inc.	Remote Rural AK Distance Delivery Services (2 of 5)	Will provide necessary technology to deliver web-based trainings & live e-trainings and to create web-based peer learning groups for staff members involved in Head Start, Early Head Start, & Parents as Teachers programs.	\$750,000
Saint Paul	City of Saint Paul	St. Paul Domestic Outfall (Sewage Piping) Repair/Replacement (1 of 2)	Replacement of the domestic outfall that was constructed by the Indian Health Service and failed within 2 years of installation	\$1,400,000
Saint Paul	City of Saint Paul	St. Paul Landfill (2 of 2)	New waste management facility for the Saint Paul community	\$2,744,646
Salcha	Fairbanks North Star Borough	Tanana River Floodplain Acquisition Project at Salcha (5 of 9)	to prevent flood damage & restore the floodplain. They will do this by purchasing properties, remove homes/related infrastructure, & placement of the parcel into perpetual conservation easements.	\$4,000,000
Seattle, WA	Children's Hospital and Regional Medical Center	Cystic Fibrosis Therapeutic Development Network	To meet widespread demand for testing of new therapies for cystic fibrosis through the Therapeutics Development Network (web-based system)	\$1,500,000
Seattle, WA	Allen Institute for Brain Science	Allen Brain Atlas - Human Brain	Project will create comprehensive three-dimensional map detailing genes at work in human brain.	\$3,000,000
Seattle, WA	Ocean Services LLC	Survey Backlog (1 of 1)	Addresses hydrographic survey backlog in the waters off Alaska and in the Gulf of Mexico	\$34,000,000
Seward	AK Sealife Center	Marine Ecosystem Education Program (3 of 4)	Will allow expansion of marine science education program.	\$250,000
Seward	City of Seward	Lowell Creek Tunnel Improvements (2 of 4)	Feasibility study to see if an adequate flood diversion can be built in Lowell Canyon.	\$500,000
Seward	The Alaska Community Foundation	Jesse Lee Home Stabilization and Reconstruction Project Alaska Community Foundation: Friends of the Jesse Lee Home (1 of 1)	Stabilize and renovate the Jesse Lee Home historic buildings	\$600,000
Seward	AK Sealife Center	Resurrection Bay Salmon Run Enhancement (4 of 4)	Program aims to improve the fishery in Resurrection Bay by conducting research to increase hatchery salmon smolt survival which is intended to result in increased adult returns/by expanding scope of current salmon habitat restoration program to compliment/balance enhanced salmon production.	\$1,500,000

Seward	AK Sealife Center	Alaska Sealife Center Eider Recovery (2 of 4)	This is for continued program funding.	\$1,500,000
Seward	City of Seward	Kenai Fjords NP Multi-Agency Facility (3 of 4)	Multi-agency facility to house regional NFS, NPS, NMFS personnel as well as state/local agencies & local private entities. Will replace the small visitor center/administrative headquarters for the park, administration headquarters for Forest Service.	\$2,000,000
Seward	City of Seward	East Harbor Breakwater Extension (1 of 4)	Extension of the outer breakwater.	\$2,666,000
Seward	AK Sealife Center	Alaska Sealife Center-Marine Mammal Research & Rescue (1 of 4)	This is for funding of mammal rescue/research programs. They were not funded in 07 or 08.	\$7,000,000
Seward	City of Seward	Arctic Region Research Vessel (4 of 4)	Arctic Region Research Vessel final design review.	NO FUNDS REQUESTED/REPORT LANGUAGE
Sherrod Elementary School, Palmer AK	Sherrod Elementary	Sherrod Elementary Alaska Playground	Alaska-themed playground with individual identifying plaques and brief descriptions of the significance of various geographical regions of Alaska	\$20,800
Shishmaref	Kawerak, Inc., Shishmaref Erosion and Relocation Coalition	Shishmaref Phase Two Seawall Revetment	Construct 700 additional feet of revetment	\$7,000,000
Sitka	Sitka Trail Works Inc.	World War II Causeway (2 of 3)	600 ft of the causeway will be filled w/armor rock & topped w/gravel & a small barge landing ramp will be built. Repair of 3 sections of the partially eroded WWII Causeway & construction of a barge landing to allow for maintenance so the State Parks Site Manager can drive to the interpretation center on Sasedni Island.	\$1,000,000
Sitka	Sitka Trail Works, Inc.	Lucky Chance Mine Historic Trail Access Project (Priority 3 of 3)	Project proposes to design and locate a safe crossing of Green's Creek and build 2 miles of hiking trail connecting National Forest lands with the Sitka Road system.	\$1,000,000
Sitka	Sitka Trail Works, Inc.	Multi Use Pathway: Connection with AMHS Sitka Ferry terminal (Priority 1 of 3)	Funds needed to complete the project which started in 2006 to link the Alaska Marine Highway System Ferry terminal with downtown, allowing visitors to access parks, trails, and special features like the Raptor Center and the Sitka National Historical Park.	\$1,000,000
Sitka	University of Alaska	Small Public Water System Technology Assistance Centers	The center's on-going, broad objectives are: 1) to coordinate and expand training opportunities, 2) to serve as a statewide clearinghouse for training information and technical resources, 3) to increase community capacity, particularly among Alaska Native villages, for support of community water systems, and 4) to investigate water resource issues unique to small systems in arctic conditions.	\$4,000,000
Sitka	City Borough of Sitka, Alaska	Sawmill Cove Industrial Park Waterfront Development Project (Priority 2 of 4)	Building of the Intermodal Bulkhead Dock Completion, which will include a sheet pile bulkhead cargo and freight dock and may also serve bulk water tankers and cruise ships.	\$4,500,000
Sitka	City Borough of Sitka, Alaska	Japonski Island Infrastructure Project Completion (Priority 1 of 4)	Upgrade the deteriorating road and utility infrastructure on Japonski Island.	\$6,350,000

Sitka	City Borough of Sitka, Alaska	Sitka C.O.E. Harbor Breakwater Upgrade. (Priority 4 of 4).	The construction of a rubble mound breakwater from Japonski Island extending 305 feet to overlap the gap to the existing stub breakwater, as well as adding an additional 400 feet rubble mound breakwater to close the gap between the stub and main breakwater to reduce wave energy entering Sitka harbor from the west.	\$10,000,000
Sitka	City and Borough of Sitka, Alaska	Expansion to Maximum Capacity of the Blue Lake Hydroelectric Project (Priority 3 of 4).	The City and Borough of Sitka requests \$12.5 million in Federal funds to assist in constructing a \$25 million new power tunnel and powerhouse containing an 8 MW third turbine generator at the Blue Lake Hydroelectric Power Project.	\$12,500,000
Skagway	Municipality of Skagway	Seawalk Intermodal Access Project Phase III/IV (1 of 1)	Installation of interpretive displays, bus shelters, utility stub outs for a future restroom, benches, waste receptacles, widening of sidewalks, new lighting, burying utility lines, rock retaining walls, pergolas, and landscaping.	\$2,019,400
Soldotna	Kenai Peninsula Borough	Computer-Aided Dispatch (CAD) System (1 of 7)	Plan, procure & implement a distributed computer-aided dispatch system in all 4 communications centers located in the Borough. Will provide servers/workstations at each communications center to support the center & link all servers through the AK Land Mobile Radio circuits for data sharing, mutual activity monitoring & backup.	\$500,000
Soldotna/Kenai Peninsula Borough	City of Soldotna	Design and Environmental Engineering for the Funny River Road Realignment Project 1 out of 5 requests	Realignment of Funny River Road through newly acquired property.	\$190,000
Soldotna/Kenai Peninsula Borough	City of Soldotna	Land Acquisition for the Soldotna Municipal Airport 5 out of 5 requests	Acquisition of a 4 acre parcel at northeast corner of airport boundary.	\$285,000
Soldotna/Kenai Peninsula Borough	City of Soldotna	Equipment Purchases for the Soldotna Municipal Airport 2 out of 5 requests	Replacement of old existing airport snow removal equipment, addition of friction measuring device.	\$1,235,000
Soldotna/Kenai Peninsula Borough	City of Soldotna	Well House "B" and "C" and Other Water System Improvements 4 out of 5 requests	Evaluate the aquifer and renovate remaining 2 wells and well houses (B and C). Purchase and installation of onsite chlorine generators in well houses, upgrades to SCADA system, and other water distribution system improvements.	\$1,274,500
Soldotna/Kenai Peninsula Borough	City of Soldotna	Design and construction of a connector road that will serve as an Emergency Route by extending Riggs Avenue from Mackey Lake to the Kenai Spur Highway 3 out of 5 requests	Design and construction of gravel road for Kenai Spur Highway to Mackey Lake Road, providing emergency route for emergency vehicles and general public.	\$4,000,000
Southcentral	Municipality of Anchorage	Alaska Meth Education Project c/o Municipality of Anchorage 8 out of 21 requests	AK Meth Ed Project developed as statewide response to growing meth problem in AK. Inform Alaskans about deadly hazards of meth use through prevention and education.	\$400,000

Southeast	Alaska Department of Fish and Game	International Fisheries Commissions	To meet the federal obligation to enhance sockeye salmon production, the state operates an enhancement unit at an existing hatchery and conducts fish monitoring. This work is completed cooperatively with the Canadian government.	\$400,000
Southeast	Alaska Department of Fish and Game	Pacific Salmon Treaty Implementation	Funds Alaska, Washington, Oregon, and Northwest Treaty Indian Tribes in meeting federal obligations under the Pacific Salmon Treaty.	\$8,000,000
Southeast	Alaska Department of Fish and Game	Pacific Coastal Salmon Recovery Fund	Provides ongoing funding for programs that mitigate the impacts of the harvest reductions imposed by the Pacific Salmon Treaty on Alaskan fisheries and coastal communities.	\$25,000,000
Southeast Alaska	Vocational Training & Resource Center	Alaska Comprehensive Tribal Training Program (1 of 2 for Central Council of Tlingit & Haida Indian Tribes of Alaska)	Will address high unemployment & work skill deficiencies in SE AK's rural area by delivering training directly to remote communities & help local residents acquire skills to secure jobs/maintain current employment/achieve career growth.	\$1,409,364
Southeast Alaska	University of Alaska	Wood Utilization	This is a continuation of an existing federal earmark that is a part of the national program, Wood Utilization Research (WUR) that addresses forest products research in the United States including non-timber products and education and extension associated with new product development and production processes.	\$5,000,000
Southeast Alaska	The Four Dam Pool Power Agency	Swan-Tyee Intertie Project (1 of 1)	Interconnect hydroelectric resources throughout Southeast Alaska	\$5,000,000
Southeast and Southcentral	Alaska Department of Fish and Game	Assessment of Recreational Halibut Harvest in Alaska	This is an ongoing project which provides for sampling of the recreational halibut fishery at the primary ports of harvest in pounds , length composition, and spatial distribution of the harvest.	\$494,886
Southern Alaska	Alaska Sea Otter and Steller Sea Lion Commission	Sea Otter and Sea Lion Subsistence Management 2 out of 3 requests	Seeking continued funding through BIA for development of co-management plans for sea otters and sea lions.	\$200,000
Southern Alaska	Alaska Sea Otter and Steller Sea Lion Commission	Steller Sea Lion Conservation and Co-Management 1 out of 3 requests	Project to include biosampling of steller sea lions, co-managements structures, education and outreach. Will collaborate on collecting, distributing and/or analyzing biosamples from subsistence hunted Steller sea lions.	\$400,000
Southern Alaska	Alaska Sea Otter and Steller Sea Lion Commission	Sea Otter Conservation and Co-Management 3 out of 3 requests	Continued funding for sea otter research and management efforts.	\$350,000
St. George Island	Aleutian Pribilof Island Community Development Association (APICDA)	St. George Harbor (2 of 3)	Completion of the St. George Harbor project	\$5,000,000
St. Paul and St. George Islands	Aleutian Pribilof Island Community Development Association (APICDA)	Pribilof Island Ferry (3 of 3)	Ferry boat acquisition/ferry terminal development	\$2,000,000

St. Paul Island	Aleutian Pribilof Islands Association, Inc.	St. Paul Staffing Quarters (Priority 1 of 5)	Balance of funding required to complete the remaining Staffing Quarters facilities identified for the Saint Paul Health Center as part of the facilities project need (approved PJD & POR)	\$1,000,000
St. Paul Island	TDX Corporation	St. Paul Airport, Navigation Safety Equipment (3 of 3)	Acquisition and placement of advanced aircraft and airport navigational safety equipment for the St. Paul Airport	\$1,500,000
Statewide	Anchorage's Promise-the Alliance for Youth	Helping Alaska's Youth	To continue their mission of strengthening our communities through the delivery of Five Promises to young people: caring adults, safe places. a healthy start, effective education and opportunities to help others.	\$115,000
Statewide	Victims for Justice	Alaska State Victim Assistance Academy (2 of 2)	Funding to establish an AK Victim Assistance Academy.	\$200,000
Statewide	Alaska Search and Rescue Association	Alaska Search and Rescue Association (ASARA) training	Training of search and rescue volunteer personnel across the state of Alaska.	\$200,000
Statewide	Alaska Department of Public Safety	Drug Abuse Resistance Education (DARE) Coordinator's Office	DARE is responsible to coordinate, track and evaluate the training and certification of law enforcement officers statewide to teach the DARE Curriculum in schools throughout Alaska. The DARE program provides Alaska's youth the skills they need to avoid involvement in drugs, gangs and violence by teaching them how to resist peer pressure.	\$210,000
Statewide	A Child is Missing, Inc.	A Child is Missing-AK	This is a non-profit organization that assists law enforcement agencies in the first few hours a child/elderly adult is reported missing. Has sophisticated satellite mapping technology program & advanced, telephone computer system that can place 1,000 emergency telephone calls every 60 secs. Assists in all missing cases & works with Amber Alert/child safety programs.	\$220,000
Statewide	Statewide Independent Living Council of Alaska, Inc.	Rural Independent Living Outreach Project. (Priority 1 of 1)	Provision of independent living demonstration activities in rural and remote areas in the state.	\$300,000
Statewide	Partners for Progress, Inc.	Federal Re-Entry Court--Alaska Therapeutic Justice Program (1 of 1)	Will work with the U.S. District Court, District of Alaska (which is starting a federal re-entry court that will focus on individuals with patterns of addictive behavior) to provide individual-need assistance to indigent prisoners at the beginning of their release from custody. Such assistance, limited to three months, will include housing, food, clothing, medication, bus passes, and other basic-needs assistance necessary to bridge the gap from prison to self-sufficiency.	\$300,000
Statewide	United Way of Anchorage	Alaska Native Head Start Literacy Project (Priority 2 of 2)	Project will reduce academic disparities experienced in Alaska Native children by focusing on young children before they start school, so that by the time they begin kindergarten, Alaska Native Children will be demonstrating early language and literacy skills more on par with their peers of other ethnicities. Plans are to pilot the project at 16 Head start sites, 14 rural and 2 in Anchorage.	\$350,000
Statewide	Victims for Justice	Victims for Justice Service Extension Project (1 of 2)	to expand their current service into the MatSu Valley, FAI & Juneau. To establish a satellite office in Palmer Wasilla area.	\$575,000
Statewide	United Way of Anchorage	Alaska 2-1-1	Continue development and expansion of statewide health and human services information and referral service using the telephone number 2-1-1.	\$600,000

Statewide	Alaska Department of Health and Social Services	Prevention, Controlling and Reducing the Consequences of Obesity in Alaska	Continued support for prevention and reduction of obesity as well as dietician training and a new school health consultant.	\$650,000
Statewide	Alaska PTA	Parent to Parent Roles and Responsibilities with NCLB (1 of 1)	Three year plan to implement activities such as workshops for parent involvement in school activities, organize parent and community volunteers and provide staff development of parental involvement	\$750,000
Statewide	Alaska Native Justice Center	Justice: Bridges to Success (Priority 1 of 1)	ANJC assists Alaska Natives with resolving legal concerns in the justice system at the local, state and federal level. Alaska Native Justice Center seeks funding to continue Core Re-Entry Programs	\$895,000
Statewide	Alaska Mobility Coalition	Statewide Bus and Bus Facility Enhancements	Provide statewide source of funding for community transit organizations that show need for various transit components.	\$1,200,000
Statewide	AK Ass'n of Conservation Districts	Alaska Association of Conservation Districts: Support to Alaska's Conservation Districts	Funding to support the work of 12 Soil & Water Conservation Districts in AK.	\$1,500,000
Statewide	Alaska Department of Environmental Conservation	Persistent Environmental Contaminants in Fisheries and Oceans	To measure the levels of pollutants such as methyl mercury in tissue of certain species of fish.	\$1,900,000
Statewide	University of Alaska	Alaska Statewide Digital Mapping - Development of Satellite Receiving Station	The State of Alaska has the opportunity to acquire a new SPOT satellite capture, processing, and archive system based in Fairbanks. The system will create higher-resolution images covering the state's land and off-shore territories every 3-4 years at the lowest cost possible. These multi-color images, at 2.5-meters spatial resolution, are sufficient to accurately evaluate coastal erosion, track marine shipping, monitor sea ice, plan/monitor infrastructure development, and ensure effective resource management.	\$2,000,000
Statewide	Central Council of Tlingit & Haida Indian Tribes of Alaska (CCTHITA)	Alaska Subsistence Program (2 of 2)	Construct a state-wide subsistence program for Alaskan Tribes	\$2,563,112
Statewide	Alaska Department of Public Safety	Alaska Public Safety Information Network Redesign - Migration Project	To continue the upgrading of the criminal justice database that serves all criminal justice and related agencies. The detailed design phases are near completion.	\$3,000,000
Statewide	Dept of Military & Veterans' Affairs	Alaska Aviation Safety Project (1 of 2)	To build upon the proof of concept to develop primarily Synthetic Vision & a Wireless Broadband Data Link via the terrestrial network.	\$3,000,000
Statewide	Alaska Department of Natural Resources	Alaska Trails Initiative - Continuation of Funding	To support the safe and legal access of trails through maintenance and construction.	\$4,000,000
Statewide	Alaska Department of Education and Early Development	Alaska Statewide Mentor Project	Continued funding to address the challenges of NCLB as it relates to teacher quality and student achievement. It provides trained, full-release mentors for beginning teachers and principals.	\$5,000,000

Statewide	Alaska Department of Fish and Game	Fishery Advisory Bodies	BSFAB is comprised of key industry members with experience in international fisheries negotiations & seafood marketing, and representatives of the states of Alaska and Washington. The group assists the U.S. delegates in the annual implementation of the terms of the Convention.	\$150,000
Statewide (Coastal Areas)	Alaska Department of Fish and Game	State of Alaska, Dept. of Fish and Game, Invasive Species Program	Prevents the introduction and/or dispersal on non-native, harmful species; monitoring, tracking and studying species of concern and controlling existing populations of invasive species.	\$400,000
Statewide Alaska	Alaska Native Harbor Seal Commission (ANHSC)	Alaska Native Harbor Seal Commission (1 of 1)	Supports base operations of the ANHSC which serves six Alaska Native Claims Settlement Act Regions and over 62 communities that harvest harbor seals for subsistence.	\$750,000
Sterling	State of Alaska-ADEC	Sterling Zipmart Cleanup	Financial assistance for response/clean up activities related to Sterling ZipMart fuel release.	\$2,000,000
Tatitlek	North Pacific Rim Housing Authority	Navigational Improvements	Continued funding to allow the completion of the project and proceed to final design/construction of navigational aids, breakwater & dredging.	\$500,000
Tatitlek	The Tatitlek IRA Council	High Penetration Wind Power	Will provide for a high penetration hybrid wind turbine/diesel power station in the Village of Tatitlek.	\$1,848,376
Teller-Brevig Mission, Stebbins-St. Michael, Emmonak-Alakanuk, AC Interties and St. Mary's and Mountain Village HVDC Feasibility	Alaska Village Electric Coop., Inc. Polarconsult Alaska, Inc.	Rural Electric Interties and High Voltage Direct Current (HVDC) Transmission System Demonstration Project. (Priority 1 of 1)	Alaska Village Electric Cooperative proposes to construct three conventional AC electric interties in conjunction with power plant upgrades in three communities which will reduce the number diesel plants and operating engines by half. AVEC proposes to construct conventional interties of less than 15 miles in length and to examine new adaption of technology (HVDC) for systems great than 15 miles in length.	\$9,325,000
Togiak, Twin Hills, Goodnews, and Quinhagak	The Conservation Fund and Southwest Alaska Conservation Coalition	Salmon Habitat and Native Allotment Conservation - Togiak Refuge (2 of 5)	Numerous Native allotments are for sale along the many salmon producing rivers of the Togiak Refuge. Native landowners want to sell for a variety of reasons and by working with willing sellers, conservation of these allotments will protect the habitat and recreational value of these rivers.	\$1,500,000
Tok Area	Alaska Power & Telephone Company	Yerrick Creek Hydroelectric Project 2 out of 2 requests	Construct 2.3 MW run-of-river hydroelectric project that will interconnect with the Grid supplying electricity to communities of Dot Lake, Tanacross, Tok, and Tetlin.	\$7,519,369
Toksook Bay	Rural AK Community Action Program, Inc.	Toksook Bay Early Learning Center (1 of 5)	Will replace existing Head Start Center w/an early learning center for kids 0-5 yrs.	\$500,000
Unalaska	City of Unalaska	Geothermal Energy Project (2 of 2)	Wants to do exploratory drilling to determine location for a viable geothermal energy plant.	\$1,500,000
Unalaska	City of Unalaska	Unalaska Boat Harbor Project (1 of 2)	Funding requested for the construction/upgrades of boat harbor.	\$9,000,000

Upper Cook Inlet	Tri-Borough Commission (Anchorage, Mat-Su Borough and Kenai Borough)	Cook Inlet Beluga Whale Research (1 of 1)	Continue necessary funding for additional research for the status of the Cook Inlet Beluga Whale.	\$750,000
Valdez	City of Valdez	Valdez Small Boat Harbor Expansion	Additional 320 slip harbor capacity with associated General Navigation Features and required upland infrastructure. The Valdez Harbor Project was recently authorized in the Water Resource Development Act 2008. The Army Corps of Engineers must have a minimum of \$1 million allocated in their FY09 budget designated as CONSTRUCTION GENERAL funding to continue working the project.	\$1,000,000
Valdez	Valdez Fisheries Development Ass'n	Valdez Cold Storage Project	To build a non-profit, non-competing, cold storage facility powered by alternative energy to maintain/increase employment, investment & income in the AK region.	\$17,600,000
Walter Reed Medical Center, Washington DC	Henry M. Jackson Foundation for the Advancement of Military Medicine	Electric Impedance Imaging for Early Detection of Breast Cancer in Young Women	Quantify the utility of an EIS device that uses non-ionizing radiation to identify young women under forty at a high risk of breast cancer.	\$1,500,000
Warren, MI	Field Support Services, Inc.	Vehicle Information & Data Analysis Laboratory (1 of 2)	To continue in-depth research, data collection, data analysis of US Gov't, academia/commercial advancements in alternative fuels, robotics, survivability, materials & propulsion/power technologies.	\$5,000,000
Warren, MI	Field Support Services, Inc.	Integration of Defense Electronics & Automotive Systems (2 of 2)	Will provide a platform with mission focused functions to use not only the new fuels by new technologies in vehicle/component designs to maintain a high level of performance with the most advanced vehicle technologies & power systems.	\$5,000,000
Washington DC	Sewall-Belmont House	Sewall-Belmont House & Museum Fire & Life Safety Upgrades	To improve/upgrade the fire & life safety systems of the site.	\$400,000
Wasilla	City of Wasilla	Core Area Master Plan-Water/Sewer (6 of 6)	Will provide funding for a future sewage treatment plant/study aquifer potential for drinking water to serve the Borough's core area west of Wasilla.	\$500,000
Wasilla	City of Wasilla	East Susitna Avenue Extension (5 of 6)	Will provide final design/construction funding to extend E. Susitna Avenue 0.7 miles south to Palmer-Wasilla Hwy as a 2-lane arterial.	\$1,500,000
Wasilla	City of Wasilla	Lucille Street widen to 4 lanes (4 of 6)	Will provide final design funding/phase one construction funding to widen Lucille Street from current 2-lane facility to a 4-lane facility 1.3 miles north from the Parks Hwy to Spruce Avenue.	\$2,000,000
Wasilla	City of Wasilla	Water System Improvements/Expansion (1 of 6)	Will provide funding for 1.2 mile water extension to Garden Terrace Subdivision with 50 homes, a 0.5 mile water main extension to Mission Hills subdivision with 100 homes, water improvements consisting of connecting a new well, booster pumps, backup power, & main line extension along Palmer-Wasilla Hwy.	\$2,500,000
Wasilla	City of Wasilla	Sewage Treatment Plant Expansion (2 of 6)	Will provide design/construction funding to expand the municipal sewage treatment plant from current capacity of 0.6 million gallons per day to 1.0 million gallons per day.	\$3,000,000
Wasilla	City of Wasilla	South Mack Drive Extension (3 of 6)	Will provide final design funding/phase one construction funding to extend S. Mack Dr. 1.5 miles south to Knik-Goose Bay Rd as a 2-lane arterial.	\$4,000,000

Wasilla Area Seniors	Wasilla Area Seniors Inc.	Wasilla Area Seniors Inc. (Priority 1 of 1)	Wasilla Area Seniors Inc. provides meals, transportation and recreational support for area seniors.	\$140,130
Wasilla, SE AK & Kenai Peninsula	Challenge AK	Alaska Adaptive Recreation Alliance	A statewide collaboration between Challenge AK, SE Independent Living Center & Kenai Peninsula Independent Living Center to provide adaptive & therapeutic recreation to individuals w/disabilities of all ages in AK.	\$300,000
West Region: Atka, Nikolski, and Unalaska	Aleutian Pribilof Islands Association, Inc.	Energy Innovation "Green" Health Care Facilities in the Aleutians (Priority 4 of 5)	Energy Innovative "Green" Health Care Facilities in the Aleutians West Region: 1) Clinic in Atka; 2) Multi-purpose Clinic Facility in Nikolski; and 3) Hospital in Unalaska/Dutch Harbor	\$23,000,000
Western & NW AK	Rural AK Community Action Program, Inc.	Micro-Scale Alternative Energy Pilot Program (4 of 5)	Wants to extend its successful home energy conservation program into piloting a small-scale alternative energy-generation solution for small rural communities, seasonal subsistence camps, & other areas off the power grid. They will procure/install alternative energy generation materials in selected locations & measure the productivity of replacing traditional wood/petroleum fuels.	\$400,000
Western Alaska	Alaska Department of Fish and Game	US/Canada Yukon River Negotiation Studies	The projects provide the core data collection and analysis to set conservation goals and harvest limits necessary for management of salmon fisheries on the Yukon River. The data collected is necessary to support negotiations between the US and Canada under Yukon River Salmon Agreement.	\$1,200,000
Western Alaska	Alaska Department of Fish and Game	Yukon Salmon Agreement Implementation	This funding is necessary to conduct cooperative programs for assessing abundance/fishery harvest impacts to implement the intensive management required by the Yukon River Salmon Agreement.	\$4,000,000
Western Kenai Peninsula	Kenai Peninsula Borough	Coastal Erosion Study (7 of 7)	Objectives of the study will be: understand/quantify short/long term coastal change rates along the western shore of the Kenai Peninsula as a function of wave energy, sediment supply & coastal land level change; develop modeling tools to ID sediment pathways/predict coastal change; develop an understanding of interrelations between coastal processes, sediment transport & nearshore ecosystem health; study characteristics of hot spots of coastal erosion on the Peninsula; translate data to policy-makers to find cost-effective solutions.	\$1,500,000
Whittier	City of Whittier	Watershed Study, Whittier, Alaska (Priority 2 of 3)	The Water Resources Development Act of 2007 provides for the expedited completion of reports, and, if feasible, the expedited construction for the Navigation project at Whittier. Because of a number of significant items of concern/interest under the purview of the USACE, the City requested that the Navigation Study be expanded and converted into a Watershed Study.	\$200,000
Whittier	City of Whittier	Whittier Waterfront Development and Marine Center (Priority 3 of 3)	Construction of the Whittier Marine Facility (WMC) for housing municipal, state, and federal agencies that provide important public services in Whittier as part of a Waterfront Development initiative.	\$1,000,000
Whittier	Chugach Alaska Corporation	Chugach Alaska Corporation, Shotgun Cove Road (1 of 3)	Fund access road between Whittier and Shotgun Cove	\$2,000,000
Whittier	City of Whittier	Shotgun Cove Road (Priority 1 of 3)	The City of Whittier is seeking \$2 million in Federal-aid Highway Funds for FY09 to help fund a vital access road between Whittier and nearby Shotgun Cove.	\$2,000,000

Wood-Tikchik State Park, Aleknagik, Alaska	The Conservation Fund and Southwest Alaska Conservation Coalition	Agulowak River Salmon Habitat and Native Allotment Conservation (1 of 5)	Sustain fish and wildlife habitat with the focus on wild salmon in an internationally important State Park.	\$2,500,000
Wrangell	City of Wrangell	Marine Hydraulic Trailer (2 of 6)	40-ton hydraulic trailer/loader will help supplement the lift they currently have.	\$225,000
Wrangell	City of Wrangell	Old Mill Dock Improvements (6 of 6)	Needs to upgrade/re-deck/new bull rails on the Old Mill Dock.	\$500,000
Wrangell	City of Wrangell	Community Center (3 of 6)	Current community center needs renovations.	\$750,000
Wrangell	City of Wrangell	Drinking Water Improvements (1 of 6)	To modify the current drinking water treatment facility. A new water line/storage tank are needed. Additional filtration is needed. These funds would cover construction/design of a new facility.	\$1,100,000
Wrangell	City of Wrangell	Cruise Ship Dock Improvements (5 of 6)	Current dock needs to be replaced/upgraded to accommodate large cruise ship vessels.	\$1,750,000
Wrangell	City of Wrangell	Municipal Energy Upgrades (4 of 6)	Replacement of the heating system with electric boilers.	\$2,100,000
Yukon and Kuskokwin River, Kuskokwin Bay and rivers draining into Norton Sound	Alaska Department of Fish and Game	Arctic Yukon Kuskokwim-Sustainable Salmon Initiative	Provides funding for the State collaboration with AYK Coalition to understand the salmon run failures in the AYK region and to better manage the resources in the future.	\$5,000,000
Yukon Flats	AK Village Initiatives	Renewable Biomass Energy for Sustainable Villages in Rural AK: Project Planning & Feasibility (2 of 2)	This project will stabilize/reduce the cost of heat & power in the region & enhance the economic sustainability of the villages.	\$500,000
Yukon River	Yukon River Drainage Fisheries Ass'n	Yukon River Drainage Fisheries Ass'n (1 of 2)	The Yukon River Drainage Fisheries Association (YRDFA) promotes healthy wild salmon fisheries on the Yukon River. To meet this mission, YRDFA works to conduct monitoring, research, and educational efforts for subsistence and commercial fisheries along the Yukon River in Alaska.	\$750,000
Yukon River Villages	Alaska Express Freight Sled Expedition, Inc.	Alaska Yukon River Expedition	To fund their equipment for their business.	\$175,000
Yukon River Watershed	Yukon River Inter-Tribal Watershed Council	Yukon River Solid Waste Backhaul and Recycling Program	Expand Backhaul Program Statewide, backhauling 4 million pounds of material annually in an effort to expand life span of rural landfills and maintaining stewardship efforts for Yukon River watershed.	\$1,000,000
Yukon-Kuskokwim Delta region	Ass'n of Village Council Presidents	Preliminary Wind Energy Assessments (5 of 14)	Wants to fund preliminary engineering studies that will lead to implementation of hybrid wind-diesel energy systems in 3 Native villages.	\$540,000
